<p>Discussion focused on WASC update and planning for read-arounds / completion and best ways to accomplish this work.</p> <p>The purpose of the read-around is for <i>everyone</i> to see the entire document and give input. We each need to have a sense of the whole so that</p> <ol style="list-style-type: none"> <li>we are sure it reflects our programs and our thoughts about them</li> <li>no one's voice is left out</li> <li>we are able to speak knowledgeably to the WASC team on any of the subjects covered</li> <li>we can ensure together that we have addressed all the information requested and created the necessary links to our critical needs</li> </ol> <p>The deadline for sending the WASC report to our committee chair is NEXT THURSDAY, January 17. Although we WILL have time to familiarize ourselves with the document after that, we can't rely on being able to make changes.</p> <p>This process takes more time than the two hours allowed us in the remaining two PD meetings before we send the document. The ILT proposed and decided on two reverse minimum (late start) days:</p> <ul style="list-style-type: none"> <li>this Friday, 1/11 (periods 5-8)</li> <li>next Monday, 1/14 (periods 5-8 again to make up for the loss of time)</li> </ul> <p>Today's PD will be held in William Goldyn's room, beginning at 3:30 sharp. We will be working with Chapter 2 and all of the A sections, reading them as a group and providing feedback.</p> <p>Please stop by the theater work room for coffee and cookies at 3:15.</p> <p>Please bring your cell phone.</p>
